Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's representative contacted the examiner previously to discuss why the supplemental amendment of 12/22/2006 was not used in the Notice of Allowance mailed 3/8/2007 and to find out how to have the additional claim 36 examined which was introduced in said supplemental amendment. After researching the issue, the examiner informed the applicant's representative that the office is issuing a supplemental Notice of allowance, which is based on the amendment of 12/22/2007 and includes claim 36.
